- 11a Per direction provided by U.S. DOL OLMS, Part B includes reporting of transaction(s) including reimbursement of valid expenses by a trust in which the labor organization is interested as though the trust was a business. This guidance provides a trust's dealings with a labor organization include the trust's receiving contributions from employers obligated to fund the trust per collective bargaining agreements negotiated by the labor organization. While the guidance is unclear, other transactions may be deemed to constitute dealings with the labor organization, trusts, or employers reportable in 11b. Accordingly, no amount is reported in 11b.
